

Project Guideline

Initial Submissions:

Must include:

- Format = A(ANSI) Landscape
- Front, Top, Right Side, and Isometric Views (even if two views look the same)
- All Dimensions! (No dimensions on the isometric view)
- Show the texture on the isometric view
- Your Name and Group Number
- Vehicle Name
- Part Name
- **MUST BE A PDF!**

See "Example Part" in the Vehicle Project Folder!

Final Submissions:

Must Include:

- All SolidWorks part files (**No PDF!**)
- All part and assembly files in a single Zip file (yours + other members of the group)
- Report (Only submit 1 report per group)

Make sure to include:

- Assembly Solidworks file
- Assembly Drawing PDF (no dimensions)
- All updated part files (some of your parts will not fit together, so modify them as necessary, and make sure to submit the modified version of parts)
